

STANDARDS, ISSUES, AND OPERATIONS COMMITTEE

Bay Area Housing Coalition Representative

Background

Several Care Council members and associate members are serving on a coalition addressing issues of housing for People with AIDS (HOPWA) in Hernando, Hillsborough, Pasco, and Pinellas Counties. There is no individual designated to represent West Central Florida Ryan White Care Council. The organizers of the group would like to have someone designated to represent Care Council.

If you have questions, please contact Mark Mischan at (813) 242-0035.

Action Required

Make a recommendation to Care Council regarding a designated representative from Care Council to the Bay Area Housing Coalition.
